JABIR AHMED

CSE UNDERGRADUATE | MERN STACK DEVELOPER

Madaripur, Bangladesh | jabir.ahmed484@gmail.com | +880 1925-507484
Github | LinkedIn

PROFESSIONAL SUMMARY

CSE undergraduate with hands-on experience building web and database-driven applications. Strong foundation in JavaScript, React, Node.js, Express.js, MongoDB, Firebase, REST APIs, Git/GitHub, and problem solving through competitive programming. Seeking a MERN Stack Development Internship to build production-oriented skills, contribute to real-world projects, and grow as a full-stack developer.

EDUCATION

Sylhet Engineering College — B.Sc. in Computer Science & Engineering | Expected 2027 | CGPA: 3.56/4.00 (through 4th semester)

Madaripur Govt. College — Higher Secondary Certificate (HSC) | GPA: 5.00

TECHNICAL SKILLS

- **Languages:** C++, Java, JavaScript, Python
- **Frontend:** HTML5, CSS3, React, Tailwind CSS, React Router
- **Backend:** Node.js, Express.js, REST API, JWT, Firebase Authentication
- **Database:** MongoDB, MySQL
- **Tools:** Git, GitHub, VS Code, Canva, Adobe Photoshop, Adobe Illustrator
- **Libraries:** NumPy, Pandas, Matplotlib
- **Core:** Data Structures & Algorithms, OOP, DBMS, Problem Solving

PROJECTS

OJHub — Online Judge & Competitive Programming Platform — Built a full-stack web platform for programming practice and contests with automated code evaluation, problem management, verdict generation, contest rankings, and user performance tracking. Integrated Judge0 API and Firebase authentication; developed with React/JavaScript, Node.js, Express.js, MongoDB, and Tailwind CSS.

Hall & Dining Management System — Developed a Java Swing + MySQL application to manage student hall, room, meal, payment, complaints, and administrative operations.

Hall Management System — Web Version — Working on a web-based version focused on improving accessibility, usability, and online management of hall-related activities.

COMPETITIVE PROGRAMMING & ACTIVITIES

- Participated in IUJPC Programming Contest hosted by Leading University.
- Regularly practice algorithms, data structures, and competitive programming problems.
- Strong interest in software engineering, backend development, and scalable web applications.

LANGUAGES

- Bengali — Native
- English — Professional Working Proficiency

SOFT SKILLS

- Problem Solving
- Team Collaboration
- Communication
- Quick Learning

INTERESTS

- MERN Stack Development
- Competitive Programming
- Software & Web Development
- UI Design • Database Systems
